Dear Sir / Madam ,

If there are any Residential or Commercial properties available in your building , or any other buildings that you are aware of , or any people you know who are looking for properties on , " Sale or Leave & License " , please inform us with their relevant contact numbers , email ids. etc. Also please inform the owners , landlords , buyers , etc. , about our firm / agency & to please expect a call from us . (This is besides the clients we already have on our data – base , directly or through other estate brokers / agents / realtors) .

We have an extremely large network of client's that range from : foreigners , consulates , multinationals , foreign banks & Indian companies with a paid up capital of 1 crore & above . We are officially offering you a one time 10 % referral fee , (for each new client) that is referred by you , on the net brokerage we receive , after paying a GST of 18 % . This is an incentive for you , so we can work together collectively & amicably .

(The above is only due if the deal is transacted by our firm / agency) .

Please note : - This is a one time 10% referral payment for each new client & not recurring for the same client .

Thanking you ,

Saleem Merchant
